The image shows a screenshot of the Autodesk Licensing - Activation Options window. The window title is "Autodesk Licensing - Activation Options". The Autodesk logo is at the top left. Below it, the text "Product License Activation Options" is displayed. The main content area shows the following information:

- Product: Autodesk AutoCAD 2015
- Serial Number: 006-66666666
- Product Key: 001G1
- Request code: 1N29 GBET A8G6 A8KE E344 UCJV A5GG PELZ

Below this information, there are two radio buttons for activation options:

- Connect now and activate! (Recommended)
- I have an activation code from Autodesk

A "Copy Paste" callout box points to the request code. Below the radio buttons is a grid of 16 input fields for the activation code, numbered 1 through 16. A "Clear All" button is located below the grid. At the bottom of the window are "Back", "Close", and "Next" buttons. A red circle with the number 8 is around the "Next" button.

An inset window titled "X-FORCE" is overlaid on the right side of the main window. It shows the same request code and activation code. Below the codes are "Push" and "Generate" buttons. A red circle with the number 4 is around the "Push" button, and a red circle with the number 5 is around the "Generate" button. A yellow callout box with a red border contains the text: "Run Keygen As Administrator And Turn Off Your Anti Virus First!".
